Previous projects:

Mozambique 1975/1985 with striking episodes of colonial history, anti-apartheid struggle, the battle for Zimbabwe, and the national reconstruction in Mozambique, represented with humor and a human touch.

Islanders / Ilhéus

Ilha de Moçambique, dedicated to this small, unique island of great historical and social importance, off the coast of Mozambique's Nampula province that in 2018 celebrated its 200th anniversary. Photographed in the reportage style, Moira Forjaz's images are honest and fair reflections of the relationships she has built on the island, and also of Ilha de Moçambique's captivating reality.
